Another angel has gained her wings,
Entering into the pearly gates of heaven,
Welcomed and embraced by our Almighty King,
Who would ever think we would endure this much pain?

I can't stop the tears from falling down my face.
They just keep flowing like dripping rain,
My body is numb and I don't know how to feel.

I feel so empty inside,
But time still continues to spin its wheels.
Here today and gone tomorrow,
When losing a loved one,
Our lives are filled with so much sorrow.
Grieving is okay, but we should celebrate her life, too.

Continue to stay strong,
Because she will always be watching over you.
We weren't really prepared for what God had in store,

We still can't imagine life without her,
But who are we to question why?
The Good Lord needed her more.

In this lifetime, we all have to depart.
Gone, but never forgotten,
We will keep her forever in our hearts.
You will be dearly missed,
We leave you with lots of love,
And an everlasting kiss.
