Her Journey's Just Begun

Don't think of her as gone away
her journey's just begun...
Life holds so many facets,
this earth is only one.
Just think of her as resting
from the sorrows and the tears,
in a place of warmth and comfort
where there are no days or years.
Think how she must be wishing
that we could know today,
how nothing but our sadness
can really pass away.
And think of her as living
in the hearts of those she touched,
for nothing loved is ever lost
and she was loved so much.

Please be advised that the Greenville County Sheriff's Department and the City of Greenville Police Department no longer provide escort services for funeral processions. Therefore, all drivers should obey traffic signals. Persons who are not riding in the funeral home limousines should meet the family at the cemetery.
